Summary

Knowledge in production and post production of audiovisual content (Adobe CC suite, Final Cut). Experience as copywriter for press and journalism articles. Abilities in photography areas: journalism, products, portraits and landscapes. I find in storytelling a valuable key to connect and communicate messages, with the use of photography, audiovisual products and application of writing skills.

Experience

LuxChan 2022-07-19 - 2023-06-30
